MANY FIRES—Many fires may be lighted at very low cost this week. 2400 big paraffin matches for 15c at the big store of bargains. Price this week only.

HAY CROP HARVEST—The crop of alfalfa promises to be larger this season than for some years and of course ranchers will need pitch forks and handles and rope and stack covers. Davidson's Cash Store is a good place to go for these goods.

HOW TO KEEP THE LAWN BEAUTIFUL—First buy 50 feet of fresh Goodrich hose, keep the lawn well sprinkled and then buy a Thomas Lawn Mower, to keep it well trimmed and go to Davidson's Cash Store for these necessities.

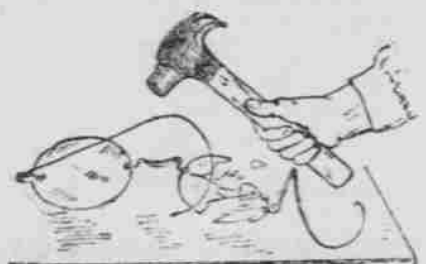

OF INTEREST TO IRRIGATORS—Those who have irrigating to do need shovels and canvas. Shovels may be secured at from 70c to \$1.35 and canvas may be purchased at reasonable prices at Davidson's Cash Store.

RECIPE FOR THE HOUSEWIFE—For comfort and saving of work—First corner hubby and persuade him to buy you a summer stove. Tell him to come with you to Davidson's Cash Store and help you to decide whether you will buy an Insurance Gasoline stove or a Standard Wickless Blue Flame Oil stove. Hubby may say, My dear, I'm afraid one of those confounded stoves might blow you up and gasoline is expensive. Just tell him that the stoves at Davidson's are absolutely safe and cost about the same as the hot wood cook stove for fuel. A woman can usually get what she wants if she strikes the lord of the manor right. So girls keep agitating until you are cooking on a summer stove that is cool, clean and convenient and that was sold by Davidson's Cash Store, the money savor to cash purchasers.

I won't take any risk this time. If they don't make them right I can take them back—won't have to smash 'em or throw them away."

CHANGE OF RESIDENCE—Mr. and Mrs. J. M. Jamison have changed their residence from the Hotel Adams to No. 546 North Center street.

A BISBEE TRAGEDY—Viviano Cocio, a Mexican woman of unwholesome character, was stabbed to death in Bisbee on Friday night by a countryman of bad reputation. The two were seen walking together down the road toward Naco in the early evening and an hour later the woman's dead body was found. The murderer escaped.

MINING IN YUMA COUNTY—A Los Angeles company known as the Gold Placer Prospecting association has been organized to work placer ground at Gila City on a large scale by specially prepared machinery. The Arizona Sampling and Smelting Co. has also been organized for the purpose of establishing a sampling plant in Yuma. It is backed by Colorado and California capital.

MEMORIAL CHURCH SERVICES—A cordial invitation is extended to the Women's Relief Corps, the Sons of Veterans, Spanish American Veterans, the National Guard and Sons of the American Revolution to attend union memorial services at the Presbyterian church Sunday, May 28, 7:30 p. m. Dr. McAffee will preach the sermon. The invitation is extended by Winfield Scott, department chaplain G. A. R., and the board of J. W. Owen, pastor.

UNION EVANGELISTIC MEETINGS—Beginning with Monday evening, May 15, there will be a week of union evangelistic services under the auspices of the Central Methodist Episcopal church south, the Presbyterian church and the First Methodist Episcopal church. The services will be held in the Central M. E. church south at the corner of Center and Monroe streets, opposite the postoffice. The public is most cordially invited to attend these services.

COMING OF FRANK HENEY—Frank Henev, former attorney general of the territory, and now the prosecutor of the Oregon land thieves based Maricopa on Saturday night on his way to Tucson where he will represent Albert Steinfeld in the suit brought against him by L. Zeckendorf for an accounting in the matter of the \$550,000 which Steinfeld received from the sale of the Old Boot or Silver Bell mining property. That case will come up today before Judge Campbell at Tucson.

RUN OUT OF TOWN—Saturday evening about dark a couple of men of the hobo type entered the Boston store and while one of them engaged the attention of the clerk who met them the other appropriated a number of purses. Both left the place rather suddenly and the police were notified as soon as the theft was discovered. An officer located two men answering the description at the old M. & P. depot and with the assistance of a Mexican escorted them to the city hall. The officer left them just outside for an instant in the care of the Mexican, while he went inside to secure the assistance of another policeman, intending to take them to the Boston store for identification. During that opportune instant the two suspects broke away from the Mexican and fled in the darkness. No trace of them has been seen since. Their conduct was such as to strengthen the suspicion against them and there is no doubt that they have moved on, to the benefit of themselves and everybody else.

A TIME TO ADVERTISE—It has been suggested that now would be a good time for the board of trade or the commissioner of immigration to bring the Salt River Valley to the at-

tention of the people of the tornado ridden region of Oklahoma, Kansas and other regions within the cyclone zone. It is probable that some of the survivors will be disposed to move and in their present frame of mind the chief desideratum to them would be a country free from tornadoes. There is one such country in the world and that is in the Salt River Valley.

SCHOOLS ARE CLOSING—The commencement season is at hand again and several of the country schools of the county have closed. This is commencement week at the Phoenix Indian school. It began Saturday with a program of athletic sports. Yesterday afternoon at 4 o'clock Rev. Dr. Lewis Halsey D. D. in an open air service, preached the baccalaureate sermon. There will be an experience meeting this morning at 9 o'clock at which returned students, graduates and others are expected to make reports of what they are doing in the world. There will be a band concert at 4 o'clock and a school entertainment in the evening.

A STATEMENT TO THE PUBLIC

—There is a man at Douglas, A. L. White, who is not disposed to allow the public to remain in a state of illusion. He recently killed a dog and the evening paper at Douglas incidentally mentioned that in the killing of the dog White might have caused the death of a lot of children for he shot into a bevy of them. Mr. White comes out in a card in the morning paper in which he says: "That is an absolute error. I shot a dog in my yard, which was disturbing me and there were no children there except my own and my sister's children who is visiting me. I am a great lover of dogs but this dog became too rambunctious and sucked eggs and being a scrub dog I considered it a sin to have him with my blooded dogs." That ought to be satisfactory to the taxpayers and public of Douglas generally. If a man has no right to shoot his own children and those of his sister incidental to the execution of a too rambunctious and egg sucking dog, there has been an unwarranted curtailment of personal freedom at Douglas.

DISTRICT COURT—The trial of jury cases will be begun in district court this morning. A few of the civil cases were tried by jury after the disposition of the criminal business but when Judge Kent left for the coast intending on his return to open court at Florence before taking up any other business here, the jury men were discharged. Another venire returnable this morning was recently ordered. The members of it are: W. L. George, N. L. McElligott, W. W. Kunkle, J. M. Creighton, H. A. Diehl, T. M. Elder, L. L. Plank, W. P. Padgett, J. L. Gilbert, D. D. Jones, C. H. Conley, J. A. Williams, Ernest Crismon, R. C. Berryhill, J. W. Dorris, J. R. Graham, I. H. Newton, C. E. Javins, G. A. Tweed, R. F. Kirkland, E. H. Porter, Neri Osborn, John J. Kohlberg, W. C. Dawes, T. Herbert Taylor.

Judging from the many inquiries, the picnic next Saturday to Iron Springs and Prescott will be well attended. For the benefit of those who anticipate going the following information is given: Fare for children \$1; adults \$1.50; trip from Iron Springs to Prescott, 50c extra. Those desiring to reserve seats can do so by paying 50c extra, and securing ticket in advance at Abstract office No. 299 west Washington street. Any further information will be cheerfully furnished by either R. E. Miner, H. G. Feekings or L. W. Coggins.
